A deposit of \$150.00 is due immediately to start connection to City Utility Services. The failure to provide the deposit will result in an incomplete application and an automatic denial of service. The deposit may be returned 30 days after you end your services. I/we understand any charges for services that are unpaid on my/our account will be paid with the deposit before any portion of the deposit is returned. **I/we understand I/we are responsible for paying for utilities until I/we notify the city in writing of the change in utility services.** (This means if you call the clerk in June and state that you haven't used services since March, you will still need to pay for services through June.) Contracts with the City of Osceola are nontransferable. Any customer of the City wishing to change from one location to another shall make a new application and sign a new contract.

Past Due Bills: I/We understand that my utility bill is due upon receipt. If my bill is not paid on the 15th of the month, the city will charge a 10% penalty charge assessed on the 16th of the month. All past due services will be shut off on the 7 business days from the 16th. There is a \$30.00 reconnection fee for all turned off services.
